

Sunny Steps of Herzeg Novi

2007, Herzeg Novi, Montenegro

Cattaro Kid hat am "Suncane Skale" Festival (Sunny Steps Festival) teilgenommen und sich für den Grand Prix de Eurovision beworben:

After Ten Years at Sea

After ten years at sea
I am **coming home**
To **see** what is going
To see what **is going**
What is going on

After ten years at sea
I am coming to you
To see how it's gone
To see how it's gone
Gone for you

I see that something
Something has changed
Not even your **smile**
Is still the same
Is still the same

Your daughter
I remember when she started going to school
I saw her walking this morning
She didn't recognize me
Certainly
The **young man who is walking beside her**
Must be her friend

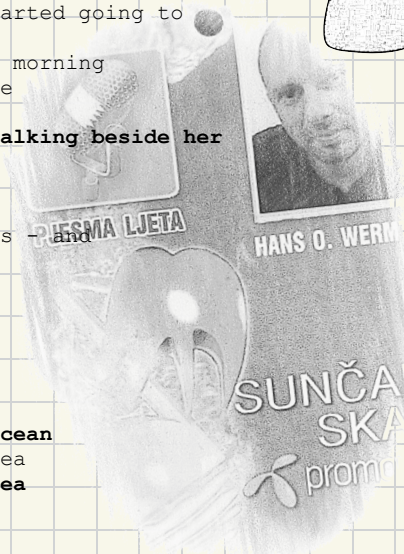

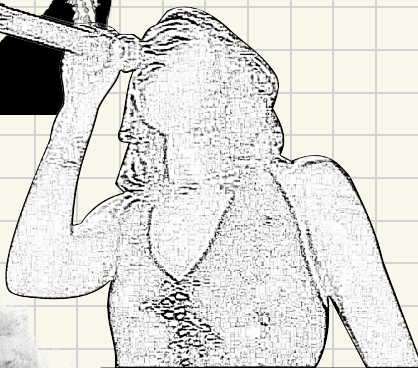

And you
Wrote all these letters **and**
I couldn't care

After ten Years **at sea**
I lost all my friends
I lost all my **dreams**
And finally you

Let's go back to the ocean
Let's go back to the sea
Let's go **back to the sea**
