Only A Man

Hi Folks

Now it is time for talking about a **real big, big problem**

I never had sex with a black girl
No **topless squaw** licked my wounds
No Babushka nursed my aching head and
No mermaid rescued me
I never had tea with a **Chinese girl**
Or been caressed from an Eskimo one

And the problem is

How to explain to my girlfriend
That she may understand
There's no problem with our relationship
Because I am only a man

I am only a man

I am only a man

I never slept with an **Egyptian fairy**
No Gipsy maid **spent tenderness**
No **beauty queen** has ever kissed me
No princess changed my life
I am not converted by a **topless angel**
And not even one **Geisha** made love to me

You see, there are a lot of things to do, but
How to explain to my girlfriend

That she may understand
There's **no problem** with our relationship

Because I am only a man

I am only a man

I am only a man

And I really don't know about **reincarnation**

And all this fucking stuff

So - how long shall I wait?

You can believe my girlfriend does
Not look like an Eskimo
I don't know why she does not understand
She's not a woman of colour
And thanks God: **she's not a mermaid**

Because I am only a man

I am only a man

I am only a man

Because I am only a man

I am only a man

I am only a man
